

Are you our new SALES ASSISTANT?

VAT-NO.: DK 27 21 61 29

We are constantly growing and therefore looking for an energetic, effective and motivated internal sales representative for our export department.

PTI is a manufacturer and distributor of bearing and transmissions parts, with more than 50.000 different part numbers, where you will be part of our team that sells our wide product range to both new and existing customers all over the world.

Your job will mainly consist of all available tasks concerning offer and order handling, customer care by phone etc. You will be responsible for your own intrusted customers, but will also be asked to assist with other delegated assignments.

Our expectations to you:

- **That you master the English and German language on a business level and it's highly appreciated if you speak other languages too. You do not need to speak Danish, but it is of course a great advantage.**
- **Knowledge of bearings would be a plus but it is not required.**
- **A will and drive to sell our products worldwide.**
- **You are positive and appreciate to work at a place where you have a lot of responsibility and making sure that we meet our customers requirements.**
- **Experienced in the use of the MS Office products and ideally Microsoft C5 knowledge.**
- **Financial insight.**

PTI is currently employing 41 people in our department in Højer and 9 in our department in Støvring. The job advert is for the office in Højer, which in the next couple of years will be relocated to the city of Tønder (located at the Danish/German border).

We are offering an interesting and varied job in a informal workplace, where we ensure the "Danish way" of a good work-life balance with a work week of 37 hours, where overtime is registered from the first minute.

Has our advert spiked your interest, please send your application to cr@pti.dk marked "Sales assistant" before the 31.07.2019.

Do you have any further questions then please contact Connie S. Runge (HR) on +45 7364 3229 or Sebastian Fichtner (Sales Manager) on +45 7364 3225.
